Dear Mark Twain Elementary families – **NEW BUS ROUTES START APRIL 10<sup>TH</sup>**.

Durham School Services is working to provide the safest bus options possible for our students. They have developed new routes and have reduced the number of busses needed for Mark Twain students in the afternoon. This means that students **will load the busses in the half moon bus loading zone located on Robinson**. As a result of this change, the **lower gravel parking lot will now be open for parents to park when picking up children in the afternoon**. Our only request is that if you choose to park in the lower gravel parking lot, please access the area using Mill Street. Additionally, if you would like to continue to use the upper paved main office parking lot, we kindly ask that you access that parking lot using Church Street.

**Please avoid using Robinson as a thru street due to the new bus loading zone.**

Please find attached the updated routes and times, and visit our website at [marktwain.silverfallschools.org](http://marktwain.silverfallschools.org) for an updated map. New routes will begin Monday, April 10<sup>th</sup>.

We will hand deliver a note to your student Monday, April 10<sup>th</sup> if their route is changing. If you are unsure of your student's route or route change from the attached route information – please feel free to call the Mark Twain office (503-873-6341) or Durham School Services (503-873-3721).

Sincerely,

Greg Kaatz  
Principal
